SPECIAL SKILLS

Isabelle is very expressive, imaginative, has lots of energy, is very active, loves to jump on trampoline, do flips, do planks, ride her bike, or scooter & play video games. Very happy, easy going personality, loves to dance, sing, does round off back handsprings, 1 handed cartwheels, front & back walkovers, back flips, tumbling, has fun posing & making different faces, wearing costumes, playing. Great with pets, loves both cats & dogs (we have both) & other children, good with younger kids, & she has 3 older brothers, so she is a girly-girl with a tomboy twist. She loves to do crafts & does animation. Isabelle also likes to swim & loves the water. She is taking guitar lessons. Knows some French. Loves to read! She has prescription glasses & can wear them for a different look. Can play a younger child due to small, petite size. Takes direction well. She has an infectious laugh!!!
